Welcome and congratulations!

Welcome to your retiree health care program. You may elect to participate in this program whether you retire from the Arizona State Retirement System (ASRS), Public Safety Personnel Retirement System (PSPRS), Elected Officials' Retirement Plan (EORP), Corrections Officer Retirement Plan (CORP) or University Optional Retirement Plan (UORP). We recognize that you may have a choice in retiree health care programs not only from the ASRS but also from your employer or, if applicable, a health care plan sponsored by the Arizona Department of Administration (ADOA).

This guide is intended to help you become better acquainted with the features and options of the ASRS health insurance program. For Medicare eligible retirees the ASRS provides two options: Medicare Complete and the Senior Supplement Plan. For non-Medicare eligible retirees there are three choices: an HMO plan, a PPO plan and an Indemnity health insurance plan.

This summary provides only a general overview of the benefits of enrolling in the ASRS retiree health care program. It does not include details of all covered expenses or exclusions and limitations. Please refer to each plan's Evidence of Coverage (EOC) booklet for exact terms and conditions of coverage. The carrier mails EOCs to enrolled members upon request.

The ASRS program includes choices of medical plans with prescription drug coverage, dental plans, a prescription drug discount card applicable to all retirees whether or not enrolled in the ASRS program, wellness and disease management programs, and the SilverSneakers fitness program. There are other useful and important topics also covered in this guide, such as premiums for the insurance plans, explanations of the Premium Benefit and Optional Premium Benefit Programs, an overview of your Medicare benefits, frequently asked questions, various worksheets and instructions on how to complete the enrollment process.

Please don't "go it alone" as ASRS knowledgeable staff are ready to help you understand the features of the ASRS plans outlined in this guide. If you have questions about your ASRS retirement or health benefits, please contact an ASRS Benefits Advisor in our Member Services Division. Likewise assistance may be received from the Public Safety Personnel Retirement System staff if you are a retiree of that retirement system, or the Corrections Officer or Elected Officials' retirement plans. Our staff is familiar with the complex topics governing this healthcare program and can help you navigate through the guide, offering additional information that you may find helpful. Phone numbers and web addresses are listed on the inside back cover of this guide.

To your health,

Overview of 2008 Retiree Group Health Insurance Program

PLEASE READ THIS GUIDE CAREFULLY.

As a retiring employee of a Participating Employer of the Arizona State Retirement System (ASRS), Public Safety Personnel Retirement System (PSPRS), Corrections Officer Retirement Plan (CORP), Elected Officials' Retirement Plan (EORP), or the University Optional Retirement Plans (UORP), you and your dependents are eligible to enroll in a medical and/or dental plan provided by the ASRS. You must enroll no later than thirty-one (31) calendar days after your retirement date in order to preserve your eligibility to be covered by the ASRS upon your retirement. If you enroll no later than thirty-one (31) days after your retirement date, your coverage will be effective on the first day of the month coincident with or following your retirement date and the timely submission of your properly completed retiree health insurance enrollment form(s).

If you receive health care coverage from your Participating Employer as a retiree, you may elect to become covered by the

ASRS at a future date. You may enroll with the ASRS during our annual open enrollment period (usually in October of each year) or if you experience a "qualifying event" (see page 4).

Who is eligible to participate?

Enrollment applies to any retiring member and eligible dependents of the ASRS, Public Safety Personnel Retirement System (PSPRS), Elected Officials' Retirement Plan (EORP), Corrections Officer Retirement Plan (CORP), University Optional Retirement Plans (UORP), or any member who begins to receive a long-term disability (LTD) benefit from the ASRS program and who may not be enrolled in health insurance benefits through his or her former employer.

If you are currently enrolled for health insurance with your former employer, please contact them for specific employer-related enrollment information and continued eligibility for their insurance coverage.

My current coverage will continue to be provided by my Participating Employer. What do I need to do?

Many Employers allow retirees to continue coverage indefinitely or for a specific period of time. Review with your Participating Employer your continuing eligibility. If you continue health insurance with your employer, complete a health insurance application with them. It is important you understand how long you may continue coverage with your Participating Employer. Once you drop your Participating Employer health insurance coverage, you may not be eligible to return to their plan. NOTE: You are eligible to enroll in ASRS health insurance at the time of retirement, during open enrollment, or if you have a qualifying event.

When I retire should I enroll in my employer's COBRA coverage?

COBRA is a federal law that allows former employees, who terminate their employment for reasons other than gross misconduct, to continue their employer's coverage up to 18 months.

To determine which health care plan may be right for you, please compare your employer's coverage and cost with the ASRS retiree health care plan for which you are eligible. Identify which physicians may be accessed in each program because you may find that your current physician accepts patients from both programs. If that is the case, the amount of your premium payment may become a determining factor in your enrollment decision.

Whether you elect to participate in your employer's coverage or that of the ASRS, you will be entitled to the Premium Benefit Program discussed on page 52 of this guide.

What do I need to do when my COBRA coverage ends?

If you wish to be enrolled in the ASRS retiree health insurance program when your employer's COBRA coverage terminates, you must complete an ASRS enrollment form(s) and provide a letter from your former employer

or COBRA administrator indicating the date your COBRA coverage ends. **This letter is very important as it establishes your "qualifying event" that allows you to enroll with the ASRS.** Failure to provide this letter may cause a delay in your ASRS health insurance enrollment. **Though you have 31 days following the termination of your COBRA coverage to enroll with the ASRS,** your ASRS coverage will always be effective on the first day of the month following receipt of your completed ASRS enrollment application. Therefore, there is no retroactive coverage for health insurance. Please remember to begin your enrollment process with the ASRS **before** your employer's COBRA coverage ends.

What will happen if I don't submit my enrollment form when I retire?

If you wish to enroll for health care coverage with the ASRS and you fail to submit your completed enrollment form within the thirty-one (31) day grace period, you will not have health care coverage with the ASRS.

Consequently, you will not be eligible to enroll in the retiree health insurance program until the next open enrollment which will take place in the autumn of 2008. However, should you experience a "qualifying event," as defined by law, during the course of the year, you may enroll in an ASRS retiree medical and/or dental plan at that time.

What is a 'qualifying event'?

A "qualifying event" permits members to make a specific mid-year change to their benefits coverage that is **consistent** with the qualifying event. If you have a qualifying event and want to enroll or are required to make a change in your coverage (i.e., add or delete dependents or are required to change your benefit plan), you must notify the ASRS or, if applicable, the Public Safety Personnel Retirement System (PSPRS) Member Services, in writing, within 31 days of the event to request a change. Following is a list of eligible qualifying events.

- **change in member's marital status** – marriage, divorce, legal separation, annulment, death of spouse (e.g., enroll yourself and/or add or delete a spouse),
- **change in dependent status** – birth, adoption, placement for adoption, death, or dependent eligibility due to age, marriage, student status (e.g., enroll yourself and/or add or delete eligible dependents),
- **change in member's primary residence causing a change in benefit plan availability** (e.g., change medical and/or dental plans),
- **eligibility for Medicare** – member, spouse, dependent child (e.g., enroll yourself and add your eligible dependents in a medical and/or dental plan or, if enrolled, change medical plan of affected person),
- **significant change in spouse's group benefits plan cost or coverage** (e.g., enroll yourself if you are enrolled in your spouse's group benefit plan, and add eligible dependents),
- **significant change in Participating Employer's group benefits plan cost or coverage** (e.g., enroll yourself if you are enrolled in your employer's group benefit plan, and add eligible dependents), and
- **termination of COBRA coverage** – member, spouse, dependent child (e.g., enroll yourself and/or add eligible dependents).

Who is an 'eligible dependent'?

Your legal spouse,

Natural or adopted children or stepchildren who reside with you, or are placed by court-order, and under age 19, or under 25 if a full-time student (minimum of 12 credit hours) at an accredited educational institution,

Minors under the age of 19 for whom the employee or legal spouse have court-ordered guardianship,

Foster children under age 18, and

Natural, adopted and/or stepchildren who reside with you or are placed by court order and were determined to be disabled by Social Security Administration (SSA) guidelines.

If you enroll your eligible dependent(s), additional documentation may be requested:

If you have a dependent enrolled in an institution of higher learning (e.g. university, community college, vocational or technical school), you will be requested to provide documentation showing full-time student status. A student is considered full time if the student meets any one of the following three criteria:

- the student is an undergraduate taking at least 12 credits; or,
- the student is a graduate student taking at least 9 credit hours; or,
- the post-secondary school, which does not record class time in credit hours, classifies the student as full-time.

Required documentation is either a letter from the school documenting the student is a full-time student and tuition paid in full or a copy of the class schedule with paid in full stamp or certificate from the school. Balance due statements or class schedules without the paid in full stamp are not acceptable documentation. Proof is required each semester.

If you have a dependent who is disabled or under legal guardianship, you will be requested to provide:

- a certified copy of a court order granting legal guardianship, or
- proof from a state or federal agency, or a written statement by a licensed psychologist, psychiatrist or other physician to the effect that such disabled dependent is incapable of self-sustaining employment by reason of mental retardation or physical handicap.

What will happen to the ASRS retiree medical plan in which I am enrolled when I become eligible for Medicare?

If you are enrolled in an ASRS medical plan and you become eligible for Medicare, **you will have to enroll in one of the two ASRS medical plans**

for Medicare eligible retirees. The ASRS has medical plans for retirees who are not Medicare eligible and plans for retirees who are Medicare eligible. Your plan change will become effective on the first day of the month in which you become eligible for Medicare (provided ASRS receives all required information prior to the requested effective date). This means that you need to notify the ASRS or PSPRS, if applicable, **prior** to the month in which you become Medicare eligible. The Centers for Medicare and Medicaid Services (CMS) will mail a Medicare card to you 3 months prior to your eligibility. The Medicare card will include your name, Medicare claim number, the type of coverage you have (Part A, Part B, or both), and the date your Medicare coverage starts. If you are eligible for Medicare, **you must have Part A and Part B to participate in an ASRS Medicare eligible medical plan.**

In addition to completing a new health insurance enrollment form(s), you will need to provide a copy of your Medicare card to the ASRS or PSPRS, if applicable. Please remember that you need to submit your completed paperwork prior to the first of the month in which you become Medicare eligible.

If you have been receiving Social Security Disability Income benefits for two years, you may become eligible to enroll in Medicare. You

should complete your Medicare enrollment process well before your eligibility date so that you may transition to an ASRS Medicare eligible medical plan in a timely manner.

I forgot to notify the ASRS or PSPRS, if applicable, that I became Medicare eligible. What will happen to the retiree medical plan in which I am enrolled?

If you fail to notify the ASRS or PSPRS that you became Medicare eligible, the medical plan in which you are enrolled will continue unchanged until you properly complete the enrollment process. It is very important to note that **the premium benefit to which you are entitled will reduce** to the amount applicable to Medicare eligible retirees. As a result, you will be paying a larger portion of your health insurance premium. State law governs how much premium benefit is paid for non-Medicare and Medicare eligible retirees. In order to receive the highest premium benefit and pay the lowest health insurance premium, please let the ASRS or PSPRS, if applicable, know that you are eligible for Medicare **prior** to the month in which you become Medicare eligible.

Your ASRS coverage will always be effective on the first day of the month **following** receipt of your completed ASRS enrollment application. Therefore, there is no retroactive coverage for health insurance. Please remember to begin your enrollment process with the ASRS or PSPRS, if applicable, **before** you become Medicare eligible.

What is the Premium Benefit Program?

This benefit is provided to each eligible retired and disabled member who elects to participate in a health insurance plan sponsored by the ASRS, the Arizona Department of Administration, or a Participating Employer. This benefit helps reduce monthly health insurance premiums. The benefit to which you are entitled is dependent upon your years of credited service, enrollment in single or family coverage and whether you are Medicare eligi-

ble. Please see page 52 for more information.

What is the Optional Premium Benefit Program?

Effective January 1, 2004, any eligible ASRS member may elect to participate in this program upon retirement. This program allows you to provide for the continuation of a premium benefit to your contingent annuitant. The contingent annuitant is the individual to whom your monthly pension benefit would continue, in some manner, upon your death and who would be eligible to be enrolled in an ASRS retiree health care plan. Therefore, only retirees who elect a joint and survivor or period certain pension option may elect to participate in this program. Please see this program. Please see page 55 for more information.

I am Medicare eligible. Do I have vision benefits through my ASRS medical plan?

If you are enrolled in the MedicareComplete Plan:

You have coverage for routine eye exams (also called refractive eye exams) once every 12 months for a \$20 copayment. These exams are only available through the Spectera vision network which includes Wal-Mart and Costco. For a complete list of providers, go to www.spectera.com.

Your medical plan covers you for **non-routine medically necessary eye exams for the diagnosis and treatment of diseases or medical conditions of the eye** (such as, but not limited to, cataracts, glaucoma, diabetes, detached retina, etc). Again, these services **are covered under your medical benefits and not under your routine vision benefit**. You must use a contracted optometrist located in your medical plan provider directory and you may self-refer for these exams. Should you need the services of an ophthalmologist, the referral must be given by a contracted optometrist. The copayment for these office visits is \$20 per visit. For assistance in locating a

contracted optometrist, you may also call Secure Horizons' Customer Service at 866-622-8055.

In addition to eye exams, you have an allowance of \$130 toward materials (lenses & frames). This materials allowance is only available through the Spectera network, which includes, but is not limited to, Costco and Wal-Mart. For a complete listing of providers, go to www.spectera.com. See page 30 for more details.

If you are enrolled in the Senior Supplemental Plan:

You have coverage for routine eye exams (also called refractive eye exams) after a \$20 deductible at a Spectera network provider. Eyeglass lenses (single, bifocal and trifocal) are covered in full, and you have a \$130 retail allowance toward frames. In lieu of eyeglasses, there is a \$105 allowance toward contacts. Exams, lenses and frames are covered once every 12 months. You have the option to see any vision provider you wish. However, to maximize your savings use Spectera network providers, such as Wal-Mart and Costco.

You are also covered for diagnosis and treatment of diseases or medical conditions of the eye (non-routine services) that may require the services of an eye specialist. These services are not covered under your routine vision benefit. If you need the services of a specialist, you can self-refer to any Medicare contracted eye specialist. See page 31 for more details.

I am Medicare eligible. Do I have hearing benefits through my medical plan?

In addition to medically necessary hearing tests, treatments and services, eligible participants in PacifiCare's Medicare Complete Plan or the Senior Supplement Plan have hearing benefits provided by Arizona Hearcare Network (AHN). AHN is a discount program NOT an insurance benefit. AHN provides, at no additional premium to the participant, the following:

- \$25 copayment for hearing evaluations,
- \$500 discount towards purchase of digital or programmable hearing aid every 12 months,
- \$300 discount towards purchase of standard or conventional hearing aid every 12 months, and
- 20% discount on accessories and repairs.

You must show your PacifiCare ID card to be eligible for these benefits and you must use an Arizona Hearcare Network office. AHN locations are detailed on the Web or through PacifiCare's Customer Service Center. See the inside back cover of this guide for AHN's phone number and website.

What should I tell my dependent beneficiary to do about my pension benefits and health insurance coverage in the event of my death?

There is no quick or simple answer.

Your dependent beneficiary is encouraged to contact ASRS Member Services or PSPRS Benefits Office staff, if applicable, at the time of your death. Decisions will have to be made regarding continuation of pension benefits if you elected a pension option other than straight life annuity. Likewise, continuation of or enrollment in an ASRS retiree health care plan by your beneficiary must be decided within six (6) months of your death. Also, if you elected a reduced premium benefit, your beneficiary may be entitled to a continuation of that benefit. Your beneficiary will need to provide certified copies of your death certificate to affect any change in your pension or health insurance benefits.

What happens if my monthly health insurance premium exceeds the amount of my pension check?

If your monthly pension check has insufficient funds to cover your health insurance premiums, then premiums will not be deducted. The

insurance carrier(s) would be notified that you did not make a premium payment for that month and they will mail a bill to you. It will be your responsibility to pay any outstanding premiums to the insurance carrier(s).

What do I need to do to cancel my ASRS health care coverage?

If you wish to terminate your enrollment in an ASRS retiree health insurance plan, **you must do so in writing** either in a letter or using the ASRS enrollment form by checking the appropriate "decline" box(es). Your cancellation must be received by the ASRS prior to the first day of the month your cancellation is to become effective. Please note that if your notice of cancellation arrives after the first day of the month, your coverage will not be cancelled until the first day of the following month. **If you are enrolled in the Medicare Complete Plan or the Senior Supplement Plan, you must also submit a Disenrollment Form to "unlock" your Medicare so you may return to traditional Medicare.**

After I enroll in an ASRS retiree health care plan, when will I receive my ID cards?

PacifiCare will mail your medical plan ID card(s) approximately 10 days prior to the first day of the month in which your medical plan becomes effective. Assurant Employee Benefits also will mail your dental plan ID card(s) approximately 10 days prior to the first day of the month in which your dental plan becomes effective.

Must I notify the ASRS or PSPRS of an address change?

Yes, all mailings, including pension and LTD benefit plan checks, newsletters, open enrollment and additional insurance information are delivered to the address of record on file with the ASRS or, if applicable, PSPRS. **It is always in your best interest to ensure a correct mailing address.**

While many retirees and LTD recipients have seasonal or even secondary addresses (such as a PO Box), **the address of the primary residence is key to the availability of medical plan options and their costs as well as the forwarding of important periodic information that may be time sensitive.** In short, it is your responsibility to let the ASRS or PSPRS know *in writing* when you have an address change.

How can I find out more about my health care choices?

All members—active, inactive and retired—are encouraged to access the ASRS or, if applicable, PSPRS websites which are full of useful overviews and explanations regarding many topics of interest. The ASRS website may be found at www.azasrs.gov. The PSPRS website may be found at www.psprs.com.

ASRS Retiree Medical Plans

For 2008, PacifiCare, a UnitedHealthcare Company, will be the sole provider offering medical benefits to eligible public sector retirees and LTD recipients and their eligible dependents through the Arizona State Retirement System.

Depending upon where you live and whether you are eligible for Medicare, PacifiCare has the following plans from which to choose: a Medicare eligible Health Maintenance Organization (MedicareComplete), a Medicare Supplement Plan that acts as a secondary payer to Medicare (Senior Supplement Plan), a non-Medicare Health Maintenance Organization (HMO), a non-Medicare Preferred Provider Organization (PPO), and a non-Medicare Indemnity Medical Plan.

Non-Medicare Eligible Plans

Health Maintenance Organization (HMO)

Health Maintenance Organization (HMO) requires that all your care be provided through HMO-contracted providers, except emergencies. Each family member selects his or her Primary Care Physician (PCP) who may be a Family Practice, General Practice or Internal Medicine Physician. Your PCP will take care of most of your medical needs. Should you require a specialist, tests or hospitalization, your PCP will make the arrangements. **Physician and network names are required on the enrollment form if you select the HMO plan.**

Preferred Provider Organization (PPO)

Preferred Provider Organization (PPO) has a network of participating hospitals, doctors, specialists, and other medical providers who have agreed to discount fees. However, with the PPO plan, you are free to use any eligible licensed provider for your care. Utilizing a participating provider limits your out-of-pocket expense. Non-participating providers are paid at usual, customary and reasonable (UCR) cost after the plan deductible. Non-participating providers may bill you for amounts over the UCR cost. This plan is available to non-Medicare retirees who live within the state of Arizona.

Indemnity Medical Plan

Indemnity Medical Plan allows you freedom of choice to see any licensed provider and is paid at the UCR cost after the plan deductible. The providers may bill you for amounts over the UCR cost. This plan is available to non-Medicare retirees who live outside the state of Arizona.

Medicare Eligible Plans

MedicareComplete Plan

MedicareComplete Plan is a plan for members who are enrolled in Medicare Parts A & B and in which PacifiCare has entered into a contract with the Centers for Medicare and Medicaid Services (CMS), the federal agency that administers Medicare, and is regulated by the Arizona Department of Insurance. This contract authorizes PacifiCare to provide comprehensive health services to persons who are entitled to original (traditional) Medicare benefits and who choose to enroll in the MedicareComplete Plan. By enrolling in the MedicareComplete Plan, you have made a decision to receive all your routine health care from PacifiCare contracted providers. If you receive services from a non-contracted provider without prior authorization, except for emergency services, out-of-area urgently needed services and renal dialysis, neither PacifiCare nor Medicare will pay for those services.

Physician and network names are required on the enrollment form if you select the MedicareComplete Plan. The plan is an approved Medicare medical plan with an approved Medicare prescription drug plan.

Senior Supplement Plan

Senior Supplement Plan is for members who are enrolled in both Medicare Parts A and B. With Senior Supplement you have the freedom to obtain medical care from any physician and hospital that accepts Medicare. The plan is an approved Medicare medical plan with an approved Medicare prescription drug plan.

What Medical Plan Am I Eligible For?

Medicare Eligible Retirees:

Retirees and/or dependents residing in:

- **Maricopa, Pima, Pinal, Coconino, Yavapai, La Paz, Yuma, Cochise, Santa Cruz, Graham and Greenlee counties** with Medicare Parts A and B may select either the MedicareComplete Plan or Senior Supplement.
- **All other counties and states nationwide** with Medicare Parts A and B will have coverage through Senior Supplement Plan.

Non-Medicare Eligible Retirees:

Retirees and/or dependents residing in:

- **Maricopa, Pima and Pinal counties** who are not Medicare eligible may select either HMO or PPO plans.
- **All other counties within Arizona** who are not Medicare eligible will have coverage under the PPO plan and, with restrictions, under the HMO plan (see Question 9 on page 61).
- **A state outside the State of Arizona** who are not Medicare eligible will have coverage under the Indemnity Medical Plan.

Becoming Medicare Eligible

If you or your dependent will become Medicare eligible on your or their next birthday, there may be changes in your medical coverage, premiums or premium benefit that you need to know about. The address of your primary residence will dictate the Medicare plan for which you are eligible.

You will need to complete a new enrollment form and the Statement of Understanding (SOU), if applicable (see page 47). Please remember that your enrollment form and SOU may **NOT** be dated and signed more than 90 days prior to your effective date of coverage.

Please send the enrollment form, the SOU and a copy of your Medicare card(s) showing Parts A and B or a copy of your Medicare Award letter to ASRS or, if applicable, to PSPRS, 30 days **prior** to the effective date of your Medicare coverage. **Medicare becomes effective the first day of the month of your 65th birthday. The effective date of your ASRS medical coverage will be effective the first of the month following receipt of your enrollment form and SOU.** Therefore, simultaneous enrollment in Medicare and an ASRS medical plan is important.

A new ID card(s) and Certificate(s) of Coverage for your new medical plan will be sent by PacifiCare after your forms have been processed.

Disenrollment Form

The Disenrollment Form must be completed and signed by all Medicare eligible retirees and/or dependents who are currently enrolled in the Medicare Complete Plan or the Senior Supplement and who are dropping that coverage. This form requests that your health care coverage revert back to the traditional Medicare

fee-for-service program. The effective date will be the first day of the month following receipt of the Disenrollment Form, unless a future date is requested.

Comparison of Benefits

The medical plan comparison charts on the following pages contain a partial listing of the benefits offered to Medicare eligible and non-Medicare eligible retirees, LTD recipients and eligible dependents. Please remember that benefits are subject to plan limitations and exclusions.

After you enroll for coverage, PacifiCare will send you an Identification (ID) Card and an Evidence of Coverage booklet for the HMO plans or a Certificate of Coverage for the PPO, Indemnity Medical or Senior Supplement plans. Please review these documents before you begin to use services so you understand the terms and conditions of the plan you selected.

A glossary begins on page 67 for definitions of many of the terms used in the charts.

Questions concerning your plan should be directed to the PacifiCare Customer Service number listed on the back of your ID card or inside the back cover of this guide.

- National network of contracted retail pharmacy locations (national chains and local pharmacies)

Senior Supplement Plan + UnitedHealth Rx for Groups prescription drug coverage

- No prescription drug plan deductible

- National network of contracted retail pharmacy locations (national chains and local pharmacies)

Understanding the Medicare Prescription Drug Plans

PLEASE NOTE: If you enroll in any Medicare prescription drug plan in addition to one of the ASRS plan options, you will become ineligible for both medical and prescription drug coverage under the ASRS plan, and will be automatically disenrolled. **Medicare allows you to be enrolled in only one prescription drug plan at a time.**

Enrollment in a Medicare prescription drug plan is an option, not a requirement. You do not have to enroll in a separate Medicare Part D prescription drug plan.

If you were eligible but did not join a Medicare prescription drug plan by May 15, 2006, and you do not have a prescription drug plan that provides coverage equal to

or better than the standard Medicare Part D prescription drug plan, you will have to pay a penalty equal to at least 1% for every month you delay enrollment when you enroll at a future date.

Both Medicare prescription drug plans offered by ASRS are equal to or better than the standard Medicare coverage. When an eligible ASRS Medicare beneficiary is enrolled in either of the ASRS-sponsored prescription drug plans when first eligible for Medicare prescription drug coverage, there is no enrollment penalty as outlined above if you should enroll in an individual Medicare Part D prescription drug plan at a future date.

Understanding the Senior Supplement Prescription Drug Plan

I am enrolled in the Senior Supplement Plan. How does the UnitedHealth Rx for Groups prescription drug plan work for me?

Each time you purchase a covered prescription medication, two payments are actually being made: the payment you pay out of your pocket for the drug, called true out-of-pocket (TrOOP) costs, and the payment your plan pays for the drug. Together these payments make up your "total drug costs".

What is my initial prescription drug coverage (Stages 1 and 2)?

Under the UnitedHealth Rx for Groups prescription drug plan, there is no prescription plan deductible. For all covered prescription drugs you simply pay your generic or brand copayments for the first \$2,510 of "total drug costs" during 2008.

When does the coverage gap (Stage 3) begin?

The coverage gap begins after you and the plan together have spent \$2,510 in "total drug costs" during the year. During the coverage gap, you pay 100% of your drug costs.

When does the coverage gap end (Stage 4)?

The coverage gap ends when your true out-of-pocket costs reach \$4,050 and you begin catastrophic coverage. When you reach Stage 4, you will pay whichever is higher: a \$2.35 co-payment for generic drugs; a \$5.60 co-payment for brand-name drugs; or, 5% of the drug costs until the end of the calendar year.

Your Senior Supplement Medicare Part D Prescription Benefit

STAGE 1: Annual Deductible

Your plan has no annual deductible.

STAGE 2: Initial Coverage

You pay copays for each prescription filled; the plan pays remainder until together you have paid \$2,510 in total drug costs.

STAGE 3: Coverage Gap

You pay 100% of your drug costs until your yearly true out-of-pocket drug costs equal \$4,050.

STAGE 4: Catastrophic Coverage

After \$4,050 in out-of-pocket drug costs, the plan pays the majority of the drug expenses until the end of the year.

Please note: the coverage gap referenced above applies **ONLY** to the UnitedHealth Rx for Groups prescription drug plan offered with the Senior Supplement plan. There is no coverage gap with the Medicare Complete® prescription drug plan.

Rx Summaries Provided

The Senior Supplement UnitedHealth Rx for Groups prescription drug plan provides a monthly prescription benefit summary tailored specifically to individual plan member. The summary helps you:

- Understand how much you and your drug plan spent to-date on prescription drugs
- Details your prescription history to help lower monthly spending
- Review prescriptions, including fill dates, prescribing doctor and pharmacy information

Understanding Your Prescription Drug Benefit

What is a Formulary and why is it important?

PacifiCare keeps your medication costs down through a Formulary. The Formulary is a list of PacifiCare-approved outpatient prescription drugs that are covered under the PPO, Indemnity Medical, HMO and Medicare Complete plans. A pharmacy and therapeutics committee that consists of practicing physicians and pharmacists determines and maintains the Formulary. The committee decides which prescription drugs provide quality treatment for the best value. It includes a broad range of generic and brand name drugs, although it does not include all prescription drugs.

What medical plans utilize the Formulary?

The PPO, Indemnity Medical, HMO and Medicare Complete plans utilize the Formulary. For you to receive prescription drug benefits, your physician must prescribe medication for you from the Formulary and the prescription must be filled at a participating pharmacy.

Do I have a Formulary benefit on the Senior Supplement Plan?

No, the Senior Supplement Plan does not utilize the Formulary. As a member on the Senior Supplement Plan, you pay your appropriate copayment to the participating pharmacy. However, the Plan does have an annual prescription drug benefit limit of \$2,510 per person.

What is covered?

All medications listed in the Formulary are covered. In order to receive your prescription benefits, your physician must prescribe medication for you from the Formulary and the prescription must be filled at a participating pharmacy.

What if my prescription is not listed in the Formulary?

Your physician can contact Prescription Solutions, PacifiCare's prescription manager, for an exception explaining why you must have that drug rather than the one on the Formulary or your physician must change your prescription to an equivalent Formulary drug.

What is the difference between brand name and generic drugs?

A generic drug is a medication which has met the standards set by the Food and Drug Administration (FDA) to assure its equivalence to the original patented brand name medication. Generic drugs are chemically identical to their brand name equivalents. Many brand name drugs do not have generic equivalents. In these cases, your physician may prescribe a "therapeutic" instead. Unlike generic drugs which have the identical active ingredients as a brand name version, a therapeutic substitute has a chemical composition close to its brand name counterpart and has been determined to provide the same clinical or therapeutic results.

How can I obtain a copy of the Formulary?

The Formulary is available upon request from PacifiCare or can be found on their website at www.pacificare.com or www.securehorizons.com.

How can I save money by using the Prescription Mail Order Program?

Prescription Solutions, PacifiCare's prescription manager, offers a mail order program for maintenance medications. Through the mail order program, you can order a 3-month supply of medications and save money on your prescription copayment. Prescriptions are mailed to your home in discreetly labeled packages. Refills can be ordered by mail, over the phone or through the Internet. Mail Order Claim forms may be ordered through PacifiCare's Customer Service or their website at www.pacificare.com.

Important Things to Consider When Making Your Dental Plan Election

You have three dental plans from which to choose. They are:

- 1) Freedom Advance Indemnity Dental Plan
 - 2) Freedom Basic Indemnity Dental Plan
 - 3) Prepaid Dental Plan
- **A Specialty Benefit Amendment (SBA) is included with the Prepaid Dental Plan for Arizona residents** that allows patients to receive certain services from Assurant contracted SBA specialists for a specific copayment rather than the discounted fee.
 - If you are a member of either indemnity dental plan and you want to **spend less for your dental treatments and services**, use an Assurant Dental Health Alliance (DHA) contracted provider who has agreed to **“no balance billing.”** By using a DHA contracted provider, Assurant’s payment and your coinsurance plus any applicable deductible will be deemed **payment in full**. In addition, any services not covered by your ASRS indemnity dental plan, including cosmetic services and additional cleanings, are offered at reduced fees.

To find the most convenient Assurant DHA contracted provider for your indemnity dental plan from the network of DHA providers, please visit Assurant’s special website at www.dha.com or call 1-800-985-9895.

- **If you are selecting the Prepaid Dental Plan** you must choose a Primary Care Dentist from the Assurant Directory of Dentists. Once you have chosen a Primary Care Dentist, **you must enter the Dentist ID number from the directory on your enrollment form**. This is very important! It allows Assurant to tell your chosen General Dentist that you will be a new patient and includes your dental plan information on the dentist’s eligibility list called a “roster.”
- The Assurant **indemnity dental plans** offer freedom of choice to use any eligible licensed dentist or specialist in the United States. However, you may use Assurant’s Dental Health Alliance (DHA) contracted providers to receive additional savings on all your dental treatment services.

Important Information Regarding On-Going Dental Care If You Are Newly Enrolled with ASRS

If you are actively undergoing major dental procedures with your current dental provider and the service(s) is not completed prior to the effective date of your dental coverage with ASRS, your current provider may allow that on-going procedure to be a covered expense under your current dental plan even after your termination from your employer’s dental plan. Check with your current dental provider to learn if your procedure qualifies for continued coverage.

Dental procedures you are receiving from your current non-ASRS dental provider **will not be eligible** for benefits through Assurant.

You and your family can receive valuable savings on your prescriptions by using the ScriptSaveSM Prescription Drug Savings Card!

ASRS is pleased to continue to offer prescription savings to retirees through ScriptSave, an Arizona-based prescription savings program. Since 2001, when ASRS began providing the Script-Save card, **retirees have saved over \$1.7 million on their prescriptions!**

Best of all, the ASRS provides you with a ScriptSave card at **NO COST** and you will receive a card even if you do not have a medical insurance plan with the ASRS.

The ScriptSave card also works for you whether or not you enroll in a Medicare Part D plan.

Members enrolled in an ASRS Medicare eligible medical plan already have an equivalent Medicare Part D prescription drug plan as part of their medical plan. So, there is no need to enroll in a separate Medicare Part D plan.

As a ScriptSave cardholder, you can also receive access to free health and wellness information, as well as valuable savings and coupons on both prescription and over-the-counter medications.

Additionally, ScriptSave's Value Preferred Program may save you even more. ScriptSave has identified a selection of medications that may offer additional savings and has created a Value Preferred Medications List you can discuss with your healthcare provider.

All new retirees will automatically receive a personalized Script-Save card in the mail. No need to apply or fill out paperwork.

If you have lost or misplaced your ScriptSave card, or have any questions about your card, please call ScriptSave Customer Care at **1-800-700-3957, weekdays from 9am to 7pm EST.** Or, to find the participating pharmacy closest to you, visit ScriptSave's website: www.scriptsav.com.

Statement of Understanding (SOU)

The SOU must be completed by all retirees and/or dependents who have Medicare Parts A and B who are enrolling in the MedicareComplete Plan. PacifiCare has entered into a contract with the Centers for Medicare and Medicaid Services (CMS), the federal agency responsible for the management of Medicare, to provide comprehensive health services to persons enrolled in the MedicareComplete Plan.

By signing the SOU, the retiree and/or dependent indicates to PacifiCare and CMS that you understand:

- You must maintain Parts A and B by continuing to pay the Part B premiums and the Part A premiums, if applicable. These premiums are deducted from your Social Security check and **not** from your ASRS pension check.
- All MedicareComplete Plan medical services, with the exception of emergency or out-of-area urgently needed services, must be provided or arranged by PacifiCare/Secure Horizons

contracted providers. Services rendered without pre-certification from PacifiCare (Secure Horizons), with the exception of emergency or out-of-area urgently needed services, will not be reimbursed by PacifiCare or Medicare.

- You are bound by the benefits, co-payments, exclusions, limitations and other terms of the PacifiCare Evidence of Coverage.
- You can only be enrolled in one MedicareComplete or Senior Supplement Plan at any one time.
- Your effective date of coverage will be the first day of the month following the date that PacifiCare receives the completed enrollment form and SOU, and verification of Medicare Parts A and B, unless the requested effective date is at a later date.

If you are enrolling for the first time, your completed SOU must be submitted along with your enrollment form to the ASRS or PSPRS, if applicable.

Calculating Your Monthly Health Insurance Cost

Each retiree’s circumstances are different. The ASRS offers retiree health insurance plans as does the Arizona Department of Administration and more than 200 participating employers to allow retirees to remain on their active employee coverage. Premiums also differ depending on the plan in which the retiree is enrolled and whether single or family coverage is elected. Premium benefits for the basic and rural programs vary depending on a retiree's years of service; coverage type, i.e. single or family coverage; address of primary residence; and, whether you and covered family members are eligible for Medicare. They also vary among the four state retirement systems and plans.

Use the worksheet on the next page to determine the applicable amounts of insurance premium that either will be deducted from your monthly pension check or will be required to be paid directly to the insurance carrier(s) or to your employer.

Your ASRS retirement benefit check stub displays the basic premium benefit (PREM BEN), the rural subsidy (NON SRVPB) if applicable, and the full amount of your health insurance premium (TOT PREM). However, only your **net health insurance cost** is being deducted from your pension check. Please see pages 58 and 59 for a further explanation.

Retiree Health Insurance Premium Benefit Program

Basic Premium Benefit Amounts

The monthly premiums shown in the charts on pages 46 - 48 are the full cost for the medical and dental coverages. The Arizona State Retirement System, Public Safety Personnel Retirement System, Elected Officials' Retirement Plan, and Corrections Officer Retirement Plan will provide payment toward insurance premiums for eligible members and their dependents. The chart below reflects the maximum monthly basic premium benefit available for eligible members and their dependents.

No basic premium benefit is provided to retirees in the University Optional Retirement Plans.

To determine your basic premium benefit, you need to know your years of credited service in your retirement system or plan; your coverage type, i.e., single or family coverage; and, whether you and covered family members are eligible for Medicare.

Additional Temporary Premium Benefit Amounts

Rural Subsidy

Qualified Medicare eligible retirees **who are participating in a medical plan** provided by the ASRS, ADOA, or a participating employer of a state retirement system or plan and who live in areas of Arizona where no managed care (HMO) program

is offered (“non-service areas”) are entitled to receive an additional temporary premium benefit. The Rural Subsidy amounts shown below are **effective from July 1, 2007 through June 30, 2009**.

HB2311 Required Payment – Eligible “rural” retirees are required to pay a portion of the cost of their medical insurance plan before the Rural Subsidy is applied to their remaining medical plan premium. Those amounts are:

	Required Payment
Medicare Eligible Retiree Only	\$100 per month
Medicare Eligible Retiree + Dependent(s)	\$200 per month
Medicare Eligible Retiree + Dependent(s) (Combination Plan)	\$400 per month
You are eligible for the Rural Subsidy if you:	
• are Medicare eligible;	
• live in Mohave, Gila, Navajo or Apache Counties;	
• are not eligible to enroll in an HMO plan from a participating employer or the ASRS; and,	
• are not a retiree of the University Optional Retirement Plans.	

NOTE: Residency in a non-service area is required by Arizona Revised Statutes § 38-783 in order to receive the rural subsidy, and that the ASRS reserves the right to request documentation to confirm eligibility status. Any person who knowingly makes any false statement with an intent to defraud the ASRS is guilty of a Class 6 felony in accordance with ARS § 38-793.

Optional Health Insurance Premium Benefit Program

The State Legislature approved and the Governor signed a law applicable to ASRS members who retire on and after January 1, 2004. This benefit allows an ASRS retiree to elect to receive a reduced premium benefit that, upon his or her death, may be continued to the retiree's contingent annuitant. There are certain restrictions applicable to this benefit:

- election of a joint and survivor or period certain pension option is required;
- the contingent annuitant must receive, upon the death of the retiree, a continuing monthly pension benefit;
- the contingent annuitant must either be participating or eligible to participate in the retiree's health care program at the time of the retiree's death;
- the reduced premium benefit will remain in effect as long as the contingent annuitant receives a monthly pension benefit and remains enrolled in an eligible health care plan; and
- the retiree may cancel in writing the election at anytime and be eligible for the unreduced premium benefit payable for the retiree's lifetime and as provided by law.

The law also provides that members have a "one-time" opportunity to elect this benefit when they retire. Therefore, the election to participate in this program is made at the time the retiree completes his or her ASRS retirement application.

This benefit is applied in the following manner depending on your election of either a joint and survivor or period certain pension option:

Joint and Survivor Pension Option

If the retiree elects a Joint and Survivor option, the retiree would receive a reduced premium benefit based on a factor determined by the ages of the retiree and the contingent annuitant. Upon the death of the retiree, the contingent annuitant would receive either 100%, 66 2/3%, or 50% of the reduced premium benefit. This benefit would be further reduced if a change from family coverage to single coverage occurs.

Period Certain and Life Pension Option

If the retiree elects a period certain option, the retiree would receive a reduced premium benefit based on a factor determined by the ages of the retiree and the contingent annuitant. Upon the death of the retiree, the contingent annuitant would receive the reduced premium benefit the retiree was receiving only for the remainder of the period certain. This benefit would be further reduced if a change from family coverage to single coverage occurs.

Please use the worksheet on page 57 to calculate an estimate of your optional premium benefit and what continuing amount may be applicable to your contingent annuitant.

It is very important to remember that the ASRS will not know **exactly** how much the premium benefit will be for the contingent annuitant at the time of the retired member's death. Adding or deleting dependents, changes to the statute which provides premium benefits and going from non-Medicare to Medicare eligible status affect the amount of premium benefit to which the retiree or contingent annuitant is entitled.

Calculating Your Optional Premium Benefit

Completing the worksheet on the next page will assist you in understanding the reduction(s) to your premium benefit if you elect to participate in this program. Please remember that participation is voluntary. If you elect to participate, you may rescind your election at a later date and your unreduced premium benefit will be reinstated and will continue to be applied for the remainder of your lifetime and as provided by law.

In order to complete this worksheet, you need to know the dollar amount of the unreduced premium benefit to which you are entitled, the pension option you will elect, and the age of your contingent annuitant. The unreduced amount of your premium benefit is a function of your years of credited service, where you live, whether you are Medicare eligible and your election of family or single coverage.

Pension Checks

If you have enrolled in ASRS or ADOA retiree health care coverage, don't forget to verify your pension check for the correct premium for the coverage(s) you elected. If you feel that your pension check is not accurate, you must notify ASRS or, if appli-

cable, PSPRS Member Services within 30 days of your effective date. **Changes or additions requested beyond 30 days will only be allowed if there is a Qualifying Event (see page 4).**

Your Pension Check, Health Insurance Premiums & Premium Benefits

If you are an ASRS retiree with ASRS or ADOA retiree health care coverage, you may believe that the ASRS is charging the full cost of health insurance because your pension check Payment Summary shows the full cost of health care plan premiums under the "Deductions" column.

However, under the "Payments" column of your pension check Payment Summary, please note the inclusion of additional monies reflected in the PREM BEN

(basic premium benefit) and, if applicable, NONSRVPB (non-service area premium benefit or rural subsidy). These two amounts are the premium benefits to which you may be entitled and they offset or reduce the full monthly medical and/or dental premiums you pay.

Though the total premium for health insurance is shown **you are only paying the net premium after the premium benefit(s) is applied.**

Frequently Asked Questions

1. *If I don't enroll when I'm first eligible, what will happen?*

If you wish to enroll for health care coverage with the ASRS and you fail to submit your enrollment form within the thirty-one (31) day grace period, you will not have health care coverage with the ASRS. You will have to wait until the next ASRS open enrollment or, if you have a "qualifying event," (see page 4), you may enroll at that time.

2. *Do I qualify for the temporary "non-service area" premium benefit?*

Determination of eligibility for the temporary, additional premium benefit requires that an enrolled Medicare eligible retired member reside in a county **within this state** in which a health maintenance organization (HMO) does not provide a contracted physician network available to serve the medical needs of its subscribers. If your primary residence is in a "non-service area" (currently defined as Mohave, Gila, Navajo and Apache counties), then you and, possibly, your eligible enrolled dependents, may be eligible for this additional premium benefit or rural subsidy. Under current legislation, this additional premium benefit is scheduled to expire on June 30, 2009.

3. *What is the best way to determine which medical plan is right for me?*

There's a lot to consider. The key is to look at your own situation, study what the plans offer, and their corresponding premiums, where the plans offer coverage (i.e., in which Arizona county or out-of-state), and decide what is best for you.

4. *What is coordination of benefits?*

When a retiree or LTD member has more than one health plan, or is considered a covered dependent under another plan, benefits are coordinated so that no more than 100% of the claim is paid to a medical provider. One plan will be considered the primary and the other will be considered secondary. If you are enrolled in Medicare, Medicare will be your primary plan and ASRS will be your secondary plan.

5. *What is the Long Term Disability program?*

This plan provides you with a monthly benefit designed to partially replace income lost during periods of total disability resulting from a covered injury, sickness or pregnancy. It is provided as a benefit under your plan with the ASRS. The ASRS has contracted with Sedgewick/CMS for administration of this plan.

6. *Both my spouse and I are ASRS retirees. How may the Premium Benefit Program help us?*

The ASRS Premium Benefit Program provides the greater of 2 single premium benefits or 1 family premium benefit to each retiree. Such retirees generally can receive the greatest application of the premium benefit program with one retiree enrolling in a medical plan choosing family coverage and the other retiree enrolling in a dental plan choosing family coverage.

Frequently Asked Questions

7. *My current coverage will continue to be provided by my Participating Employer. What do I need to do?*

Some employers do not permit retirees to continue health insurance coverage at retirement. Other employers allow retirees coverage for a specific period of time. Review with your Participating Employer continuing eligibility. If you continue health insurance with your employer, complete a health insurance application with them. It is important you know how long you may continue coverage with your Participating Employer.

Once you drop your Participating Employer's health insurance coverage, you may not be eligible to return to their plan. (NOTE: You are eligible to enroll in ASRS health insurance at the time of retirement, during open enrollment, or if you have a qualifying event.)

8. *What should I do if my spouse has benefits through another employer?*

Coordinate your coverages. Study what your spouse has, then decide which ASRS retiree health insurance options provide you with the most appropriate overall coverage. It is usually best to pick coverage that complements, not duplicates, the other coverage.

9. *What restrictions are applicable to non-Medicare eligible retirees and dependents who live in "rural" Arizona for enrollment in PacifiCare's non-Medicare HMO medical plan?*

Non-Medicare eligible retirees and dependents who live in "rural" Arizona may enroll in PacifiCare's Health Maintenance Organization (HMO) medical plan provided the member understands and agrees that:

- All medical services are rendered and received at an office or facility within the chosen HMO service area (Maricopa, Pima and Pinal counties) and designated or referred by the HMO, and
- All non-emergency and/or non-urgent travel, ambulatory and other expenses incurred by the member from the residence area of the member to the designated office or facility designated or referred by the HMO are the responsibility of and at the expense of the member. These expenses will not be reimbursed by PacifiCare.

10. *I'm enrolling for family coverage in the HMO. May I select one Primary Care Physician (PCP) for my whole family?*

While you may select one PCP for your whole family, you may want to choose different PCPs for each family member. Each covered family member may have his or her own PCP. You will need to record a PCP for each covered family member, even if you all use the same one, on the Enrollment Form in the "listing of eligible individuals to be enrolled" section near the bottom of the form.

11. *If I am enrolled in PacifiCare's HMO Plan or in the MedicareComplete Plan, I must choose a Primary Care Physician (PCP). What kind of doctors are available from which to choose when selecting a PCP?*

Your medical plan PCP is responsible for coordinating all of your medical care, including referrals to specialists and obtaining necessary prior authorizations. PCPs are Family Practice, General Practice, Internal Medicine or

Frequently Asked Questions

Pediatric Physicians. Women may self-refer to an in-network OB/GYN.

12. *How can I get a directory of PacifiCare providers?*

Contact PacifiCare at 1-800-347-8600 or access their website at www.pacificare.com. Please specify the PPO or HMO provider directory you wish to receive. Please remember that a copy of a provider directory is only accurate as of the date it was printed. Updated directories are on-line. You may call the physician you wish to select to verify their participation and availability. Also, you may call PacifiCare to learn of physicians in your area who may be new to the network or who may be accepting new patients.

13. *I'm enrolling for family coverage in the Assurant Prepaid Dental Plan. May I select a General Dentist for my whole family?*

Prepaid Dental: While you may select one General Dentist for everyone, you may want to choose a different General Dentist for each family member. Each covered family member can have his or her own General Dentist.

14. *What kind of dentist may I choose when selecting a General Dentist?*

Prepaid Dental: With your Assurant prepaid dental plan, you need to select a General Dentist from the list of contracted providers. Simply choose a provider from the provider directory and list the dentist ID# on your Enrollment Form. To get a directory, please call the Assurant ASRS on-site representative at the number listed on the inside back cover of this brochure or visit the Assurant Employee Benefits

website at www.assurantemployeebenefits.com. Click on "Find a Dentist" and then select "Heritage Series".

Indemnity Dental: With your Assurant indemnity dental plan, you have complete freedom-of-choice in dental providers. You have access to any eligible licensed general dentist or specialist in the United States. Assurant strongly suggests that whenever the cost of any recommended dental care exceeds \$300, a dental treatment plan be submitted for review before treatment begins. This pre-estimate of benefits will inform you of your out-of-pocket costs.

15. *How do I change my General Dentist?*

Prepaid Dental: Call Assurant at 1-800-443-2995 to change General Dentists. Requests must be received by the 20th day of the month to be effective the 1st day of the following month. Requests received after the 20th of the month will be effective on the 1st day of the 2nd month. Remember, if you would like to change your General Dentist, you must contact Assurant before making an appointment with your new General Dentist.

Indemnity Dental: The plan provides complete freedom-of-choice in providers. No selection is necessary.

16. *How do I use my General Dentist?*

Prepaid Dental: Your General Dentist is responsible for maintaining your dental health. Should you need a specialist (periodontics, endodontics, oral surgery, orthodontia), you may self-refer for dental care. You are encouraged to discuss all your dental health needs with your General Dentist. He or she will be happy to work with you to

assure you understand your dental health needs. Assurant's provider directory lists all dental providers. The contracted providers are credentialed by Assurant provider relations staff to assure they meet corporate standards.

Indemnity Dental: You have access to dental care from any eligible licensed dentist or specialist in the United States. However, you may use Assurant's Dental Health Alliance (DHA) contracted providers to receive additional savings on all your dental treatment and services. Participating DHA dentists will discount their fees to a maximum of 20%.

17. *What is the procedure if I need to see a Specialist?*

Prepaid Dental: You do not need a referral from your General Dentist to see a participating dental specialist. Contracted dental specialists are listed in the Assurant provider directory alphabetically by city and specialty (e.g. endodontics, oral surgery, periodontics). The contracted Speciality Benefit Amendment (SBA) specialist will charge you the specialty care copayments listed on your Schedule of Benefits. For services not listed on the Schedule of Benefits, the specialist will offer a 25% discount (15% for endodontic care) off their usual and customary charge (UCR). Benefits for specialty care are not available from non-contracted dentists. Orthodontic care is offered to adults and children at a 25% discount from the dentist's UCR fee.

acute condition involving severe pain, requiring immediate dental care for temporary pain relief. For the prepaid plan only, dental appointments are on an availability only basis and at a \$25 copayment fee.

21. *What should I tell my dependent beneficiary to do about my pension benefits and health insurance coverage in the event of my death?*

There is no quick or simple answer. Your dependent beneficiary is encouraged to contact ASRS Member Services, PSPRS Member Services Staff, or ADOA Member Services, if applicable, at the time of your death. Decisions will have to be made regarding continuation of pension benefits if you elected a pension option other than straight life annuity. Likewise, continuation of or enrollment in an ASRS retiree health care plan by your beneficiary must be decided within six (6) months of your death. An enrollment form must be filled out by your

beneficiary and/or dependent (who has medical and/or dental coverage on your policy) and mailed to the ASRS. Also, if you elected a reduced premium benefit, your beneficiary may be entitled to a continuation of that benefit. Your beneficiary will need to provide certified copies of your death certificate to affect any change in your pension or health insurance benefits.

22. *How long may I cover my dependents on my health insurance plan(s)?*

You may provide coverage to your lawful spouse and unmarried children (natural born, legally adopted, placed for adoption, legal guardian status) who reside with you on a permanent basis and depend on you for support and maintenance.

Dependent children are covered through the end of the month of their 19th birthday unless they meet the student status criteria. An unmarried dependent who is registered on a full-time basis (at least twelve (12) semester units) at an accredited school or college may continue as an eligible dependent through the end of the month of their 25th birthday, if proof of such status continues and is provided on a periodic basis.

Coverage for disabled dependent children may continue provided the unmarried dependent lives with you, is incapable of self-sustaining employment by reason of physical handicap or mental limitation, is chiefly dependent on you for support and maintenance, and the mental or physical condition existed continuously prior to reaching the respective limiting age.

Frequently Asked Questions

23. *I understand that there are pre-existing condition limitations in the ASRS retiree PPO medical plan. What does that mean?*

In accordance with the provisions of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) this requirement pertains to pre-existing conditions, what constitutes a break in coverage, and the need to provide a certificate of coverage when enrolling in the ASRS retiree PPO medical plan.

If you enroll in the ASRS retiree PPO medical plan after January 1, 2005, you will be required to provide a **certificate of coverage** that indicates what current or prior coverage you have. **Your health care plan administrator must provide this form to you.** The certificate indicates the period of time you and/or your dependents were covered under your plan, the name of the plan, the termination date of your or your dependents' coverage, and the number of months of the plan's pre-existing condition limitation.

The purpose of the certificate is to reduce any exclusion for pre-existing conditions that may apply to you and/or your dependents upon enrolling in the ASRS retiree PPO medical plan.

A **pre-existing condition** is any illness or injury (whether physical or mental) regardless of its cause, for which medical advice, diagnosis, care, or treatment including prescription medications were recommended, received, or taken within the six (6) month period immediately preceding the date your ASRS coverage begins. If it is determined that you or any of your covered dependents have a pre-existing condition, no expenses

related to that pre-existing condition will be covered by the ASRS medical plan before twelve (12) consecutive months of coverage have elapsed.

You will receive credit from your prior coverage toward the ASRS pre-existing condition limitation if there is no **break in coverage** from your prior plan. In other words, if you come from your employer plan (in which you have satisfied that plan's pre-existing condition limitation) immediately to an ASRS medical plan, there is no break in coverage. However, if you have a break in coverage of 63 days or more, no credit will be allowed from participating in your prior plan.

It is always best to maintain health insurance coverage on you and your family.

Frequently Asked Questions

24. *How much are the 2008 monthly premiums for Medicare Part "B"?*

Starting January 1, 2007, Part B premiums will be based on income. Most people will pay the standard monthly Part B premium of \$96.40 in 2008. Some people will pay a higher premium based on their modified adjusted gross income.

Your monthly premium will be higher if you file an individual tax return and your annual income is more than \$82,000, or if you are married (file a joint tax return) and your annual income is more than \$164,000.

If you meet these criteria, Social Security will use income from three years ago. For example, the income reported on your 2006 tax return will be used to determine your monthly Part

B premium in 2008. If your income has decreased since 2006, you can ask that the income from a more recent tax return be used to determine your premium, but you must meet certain criteria.

At the end of 2007, Social Security Administration should have sent to you a letter if your Part B premium will increase based on the level of your income and to tell you what you can do if you disagree. For more information about Part B premiums based on income, call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778.

The chart below shows the 2008 Part B monthly premium amounts based on income. These amounts change each year. There may be a late-enrollment penalty.

Glossary

Allowable Amount Term used by some health care plans (both medical and dental plans) to determine the amount of the Billed Charge which would be considered Usual, Customary, and Reasonable (see page 68 for definition). Term may also be known as the allowable charge.

Balance Billing Billing a patient for the difference between the dentist's actual charge and the amount allowed or paid by the patient's dental benefits plan. Balance billing is not allowed with a participating DHA dental provider contracted with the Assurant Dental Plan.

Billed Charge The amount the provider bills for services rendered.

Coinsurance The percent of the allowable amount to be paid by the insurance company and the patient; i.e., 60/40 or 80/20. (The first percentage is paid by the company; 60% or 80%.)

Copayment The fixed fee that must be paid to the provider at the time services are provided, such as the pharmacy for a prescription.

Deductible The initial amount the patient must pay out of their pocket for covered services before benefits are payable by the insurance carrier.

Disenrollment Form must be completed and signed by all Medicare eligible retirees and/or dependents who are currently enrolled in a Medicare Complete Plan or the Senior Supplement Plan and who are dropping that coverage to return to traditional Medicare. This form requests that your health care coverage revert back to the traditional Medicare fee-for-service program. The effective date will be the first day of the month following receipt of the Disenrollment Form, unless a future date is requested.

Emergency Defined by each plan in accordance with their standard definitions.

Health Maintenance Organization (HMO) A medical plan providing comprehensive medical benefits, including preventive care, when you agree to use a select group of network providers. Generally, all care is directed by your chosen Primary Care Physician (PCP). Your PCP will refer you to a specialist if medically appropriate.

Indemnity Dental Plan A dental plan that allows you to choose any eligible licensed provider in the United States to receive care. Members and dentists are reimbursed for eligible dental expenses according to the benefit schedule in effect, allowing for deductibles and coinsurance.

Indemnity Medical Plan A medical plan that allows you to choose any eligible licensed provider to receive care. Members are reimbursed for eligible medical expenses according to the benefit schedule in effect, allowing for deductibles and coinsurance.

In-Network Services provided by a contracted provider in accordance with all plan requirements.

Medicaid A state-run health insurance program designed primarily to help those with low income and little or no resources. The federal government helps pay for Medicaid, but each state has its own rules about who is eligible and what is covered under Medicaid. Some people qualify for both Medicare and Medicaid.

Medicare Our country's health insurance program for people age 65 or older, certain people with disabilities who are under age 65 and people of any age who have permanent kidney failure. It provides basic protection against the cost of health care, but it doesn't cover all medical expenses or the

Glossary (continued)

cost of most long-term care.

Medicare is financed by a portion of Federal Insurance Contributions Act (FICA) taxes, or payroll taxes, paid by workers and their employers. It also is financed in part by monthly premiums paid by beneficiaries.

The Centers for Medicare and Medicaid Services (CMS) is the federal agency responsible for managing both Medicare and Medicaid.

There are three parts of Medicare. They are:

- **Hospital Insurance** (also called Medicare “Part A”), helps pay for care in a hospital and skilled nursing facility, home health care and hospice care;
- **Medical Insurance** (also called Medicare “Part B”), helps pay for doctors, out-patient hospital care and other medical services. Medicare requires that you pay a monthly premium for Part B coverage.
- **Prescription Drug Insurance** (also called Medicare “Part D”), helps pay for a portion of the prescription drug expense after satisfying a calendar year deductible. Medicare requires that you pay a monthly premium for the “Part D” coverage. ASRS enrolled members do not have to purchase separate “Part D” coverage as each ASRS Medicare eligible medical plan provides a similar prescription drug program.

MedicareComplete Plan A health maintenance organization (HMO) plan authorized by the Centers for Medicare and Medicaid Services (CMS), the federal agency in charge of these programs, to become the member’s Medicare provider. Members must maintain Parts A and B of Medicare while enrolled in the MedicareComplete

Plan. Generally, the plan provides prescription and other benefits beyond Medicare Parts A and B coverage.

Non-Participating Provider A provider with no contractual limitation on what he or she may bill and thus may practice balance-billing, as well as require payment at the time services are rendered.

Participating Dental Specialist A specialized provider, such as an endodontist, periodontist, or oral surgeon, with a contractual limitation on what he or she may bill the patient for services covered by the prepaid dental plan.

Pre-Estimate of Benefits (Indemnity Dental plan only) Whenever the estimated cost of a recommended Dental Treatment Plan exceeds \$300, the treatment plan should be submitted to the insurance carrier for review. This permits the carrier to review the treatment plan for alternative treatment procedures, which may be less costly, provided they do not affect the quality of care. The member knows in advance what his or her financial responsibility for the treatment will be prior to the actual services being performed.

Preferred Provider A provider who has signed an agreement with the insurance carrier not to charge that carrier’s members more than the insurer’s Allowable Amount.

Precertification Review A process that verifies the medical necessity and appropriateness of proposed services or supplies.

Pre-Existing Condition is any illness or injury (whether physical or mental) regardless of its cause, for which medical advice, diagnosis, care, or treatment including prescription medications were recommended, received, or taken within the six (6) month period immediately preceding

Glossary (continued)

the date your ASRS coverage begins. If it is determined that you or any of your covered dependents have a pre-existing condition, no expenses related to that pre-existing condition will be covered by the ASRS medical plan before twelve (12) consecutive months of coverage have elapsed.

Preferred Provider Organization (PPO)

Plan A plan that provides benefits in an indemnity fashion, but pays a higher percentage of the cost of services if patients use a PPO network provider than if they use a non-PPO provider. **If you go to a provider who is a member of the PPO network**, after you first satisfy a deductible, the plan generally pays 80 percent of the cost for care and you pay 20 percent. **If you go to a provider who is not a member of the PPO network**, after you first satisfy a deductible, the plan generally pays 60 percent of the cost for care and you pay 40 percent.

Prepaid Dental Plan A dental plan that allows reduced payment for dental services for members who agree to use dentists in the plan's provider network. Generally, dental care is provided through your chosen general dentist. Preventive services sought in accordance with the plan's schedule of benefits are generally provided at low cost to the member. Members pay according to a

set schedule for restorative services. Certain major services may be provided by a specialized dentist at a higher cost to the member.

Primary Care Physician (PCP) The physician responsible in an HMO plan for directing all patient care including referrals to specialists and obtaining necessary pre-certifications. This physician is a General Practice, Family Practice, Pediatric or Internal Medicine specialist. Women can self-refer to an in-network OB/GYN.

Prophylaxis A routine cleaning procedure that includes light scraping (scaling) of the teeth to remove plaque and calculus/tartar. This procedure should be performed at least every six months.

Rehabilitation Usually physical therapy, speech therapy and/or occupational therapy.

Senior Supplement Plan is for members who are enrolled in both Medicare Parts A and B. With this plan you have the freedom to obtain medical care from any physician or hospital that accepts Medicare.

Specialty Benefit Amendment A special amendment added to the pre-paid dental plan's Schedule of Benefits that allows patients to receive select major dental services from Assurant contracted specialists for a specific copayment, available to Arizona residents only.

Glossary (continued)

Statement of Understanding (SOU)

If you are enrolling in the Medicare Complete Plan, you are required to sign and submit a Statement of Understanding along with your 2008 Enrollment Form. This is a federal government requirement mandated by the Centers for Medicare and Medicaid Services (CMS), the federal agency responsible for these programs. The SOU summarizes the fundamental terms and conditions of your coverage. For the Medicare Complete Plan, the SOU explains that, with the exception of emergency or out-of-area urgently needed care, services must be provided by your Primary Care Physician (PCP) or other PacifiCare contracted providers. If you receive services

or treatments without precertification from PacifiCare's contracted providers, the cost of those services or treatments would not be reimbursed by PacifiCare or Medicare.

Usual, Customary and Reasonable (UCR)

A charge which is based on the general level of charges made by other providers in the area for like treatment, procedures, services, and/or supplies, also known as the Allowable Amount or allowable charge. The insurance carrier's determination of the UCR is final for the purpose of determining benefits payable under the insurance carrier's policy.
